# ABOUT US

Indigo Granites specialises in processing natural granite stone at its unit located in Pathakota in Shoolagiri district, around sixty kilometres from Bengaluru, generally known as “The Granite Hub of South India”. We are also experts in sourcing a complete range of Granite, Marble, Quartz and Tiles from across the world, boasting an operating management actively involved in the industry for more than a decade.

Our esteemed location gives us access to all mining quarries within South India as well as providing an added advantage in timely national and international shipping given its close proximity to Chennai port. We cater to all kinds of customers including dealers, individual consumers, builders etc. possessing a unique ability to process or source requests custom tailored to each customer.

## OUR VISION AND MISSION

Our vision is to be a global leader in process and trade of all types of flooring material. We combine our vision with our mission of attaining excellent customer and employee satisfaction by providing top quality natural stone through our professional, flexible and safe work environment where employees are encouraged and inspired to accomplish their personal goals naturally resulting in value of the highest standard to our customers.

## INFRASTRUCTURE

Our state of the art machinery includes automatic multi-cutter machines, polishing machines, sixty tonne gantry crane and other high-end equipment.
